PTA FALL MEETUP

Join us at J. HENRY'S Draught House + Kitchen
Tuesday, November 6th, from 6 to 8pm

Why come to the Meetup?

- Get the most out of PTA. We know a big reason members join PTA is to be more involved in the community and connect with other families. This year we've started PTA Meetups to help you get to know us better and offer an opportunity for our hard working NPE families to socialize.
- Fundraiser - J. Henry's will make a donation for every flyer received with purchase.
- Fun for the kids at the games and crafts table
- You *do not* need to be a PTA member to attend.
- Questions about the event or PTA? Contact our Communications Chair or our Membership Chair:

A very special thank you
